

**NOTICE OF AVAILABILITY AND INTENT TO ADOPT  
INITIAL STUDY / NEGATIVE DECLARATION  
DAVEY GLEN PARK PROJECT**

**TO:** All Interested Parties

**SUBJECT:** Notice of Availability of and Intent to Adopt the Initial Study/ Negative Declaration for the Davey Glen Park Project.

**PROJECT SPONSOR:** City of Belmont

**PROJECT LOCATION:** 450 Davey Glen Road (APN: 044-162-170), in the City of Belmont.

**PROJECT DESCRIPTION:** The Initial Study analyzes the construction of the neighborhood park on approximately one-third of an acre of a site located adjacent to Davey Glen Road. Access from the street would include stairs, an accessible ramp, seating, and an interpretive sign. Other site improvements would include a non-vehicular ramp located east of the stairs, a dry creek bed to collect and filter storm water runoff, a synthetic turf area including benches and picnic tables, and a playground. No lighting, bathrooms, or drinking fountains are proposed for the park. The City of Belmont is also considering the installation of a rainfall harvesting system that would consist of utilizing large diameter pipes to retain storm water on site.

**ENVIRONMENTAL REVIEW:** An Initial Study/Negative Declaration (IS/ND) has been prepared and circulated for public review. This document concludes that there are no significant environmental impacts. The 30-day public review period is July 27, 2015 through August 28, 2015. Copies of the IS/ND will be available at the City of Belmont, Parks and Recreation Department, 30 Twin Pines Lane, Belmont, CA 94002 and on the City of Belmont website at: <http://www.belmont.gov/city-hall/parks-and-recreation/parks-open-spaces-fields>

**Anticipated Public Hearings:** The Belmont City Council intend to hold a public hearing in September 2015, to consider recommendation and adoption of the IS/ND for the project and subsequent approval of the project.
